

# STUDY ONLINE WITH THE COLLEGE

Western Sydney University The College provides students with English programs such as English for Academic Purposes. Whether you are a beginner in English or would like to learn advanced English skills for tertiary studies, we are here to support you.

## ENGLISH FOR ACADEMIC PURPOSES (EAP) COURSE STRUCTURE

Each of the five English Academic Programs are taught over a 10-week period, and include 20 hours of class time per week, or four hours a day. Each program includes mid-term and final tests in reading, writing and listening, as well as assessment tasks throughout the course that link specifically to each module. Check out course details for English for Academic Purposes (EAP) [here](#).

**Vuti, a current Western Sydney University student says:**

“I’ve had difficulty with English, that’s why I studied EAP 5 to prepare me for studies in the Masters of Teaching. The teachers are really helpful! You will definitely feel comfortable and confident in class with the teacher’s support”.
